STOP, READ, RETURN

Please be aware that while your horse is under the control of CSPKC, insurance on the horse and any property that you send with the horse or buy for the horse while it is here, is **SOLELY YOUR RESPONSIBILITY**. CSPKC is not responsible for the loss of your horse or your property. We all know that as much as we try to prevent them, accidents and catastrophes do occur; you could suffer a loss from theft, fire, tornado damage, a training or trailer accident. **We strongly recommend that you insure your horse and property.**

Along that same vein, we so try very hard to look after the equipment that you send with or leave here for your horse. To help us do that, we need a list of items that you and your horse have here at the barn. If an item is not on the list, we will assume that it is not something you expect will be returned if your horse leaves CSPKC.

Finally, please be forewarned, we do from time to time x-ray the front feet of our show horses to provide the farrier with a baseline condition of the foot, so that he can better serve the horse's needs, which in turn, will enable him to better serve your and my needs.

I have read, understand, and agree to the above policies set forth by CSPKC.
